

Razzle Dazzle 'Em

Impress your clients with Light Elegance Gel Paints and VB Cosmetics Dazzle Dry System.

You value your inner artist and what she can do for your business—now give her a new medium to spark the creative fire: gels! New Gel Paints from Light Elegance are ideal for creating bold nail art that requires a fine touch. You can blend and stripe daring colors to create the ultimate painted design. These gels won't run and can also be used over any enhancement product—the only limit is your imagination! Try our stylish design to get started. **For more information on Light Elegance, circle 200 on the Reader Service Card, call 800.275.5596 or log on to lightelegance.com.**

Accommodate your clients' on-the-go lifestyle with a four-step system for enhancements or natural-nail manicures that air-dries in only 5 to 10 minutes. The VB Cosmetics Dazzle Dry System provides a convenient way to get your busy clients in and out of your station. The system includes Dazzle Dry Nail Prep, Base Coat, Top Coat and a variety of Color Lacquers. **For more information on VB Cosmetics, circle 201 on the Reader Service Card, call 866.398.9357 or log on to vbcosmetics.com.**

Light Elegance Gel Paints

1 After prepping the nail and applying tips, paint the entire nail black. Cure the nail for two minutes.

2 Place five dots of white gel paint in a circle on the nail.

3 Mix the yellow and red gel paints to create a bright orange color. Place a dot of it in the center of the white dots.

4 Use the striper brush to draw a green stem and leaves onto the nail.

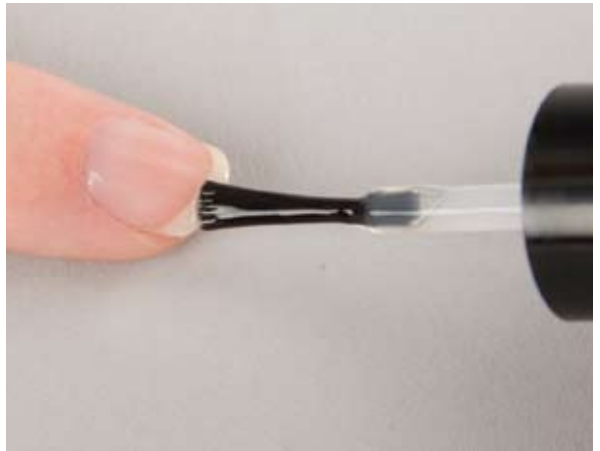

5 Cure the nail for two minutes.

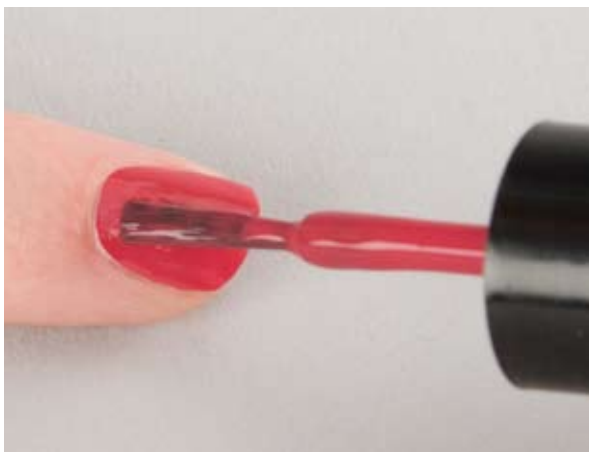

VB Cosmetics Dazzle Dry System

1 Prep enhancements or natural nails with the Dazzle Dry Nail Prep solution.

2 Apply Dazzle Dry Base Coat in smooth, even strokes.

3 Choose a Dazzle Dry Color Lacquer to paint the nails.

4 Apply Dazzle Dry Top Coat to finish the nails. ♣
