

Decorative Delights

Make your client's wedding day even better with the Art Club Art From the Heart Kit from Forsythe, or give her an extra-special treat with new Axxium Soak Off Gels from OPI Products.

It's your client's wedding—the most important day of her life—and she has chosen you to decorate her nails for this special occasion. Make your station bridal party central with the Art Club Art From the Heart Kit From Forsythe. The kit includes: White, Satin White, Crystal Glitter and Silver Glitter Nail Art Strippers; stick-on decals; and a heart carousel with over 200 assorted pearls and crystal gems.

For more information on Forsythe, circle 200 on the reader service card, call 800.221.8080 or log on to www.cosmeticgroup.com.

After much anticipation, the wait is finally over—every nail technician gets her wish this month with the new Axxium Soak Off Gels from OPI Products. Ideal as an overlay on natural or sculpted nails, these gels are fun and easy to work with, and when your clients are ready to try new colors, they soak off in as little as 15 minutes! **For more information on OPI Products, call 800.341.9999 or log on to www.opi.com.**

Art Club

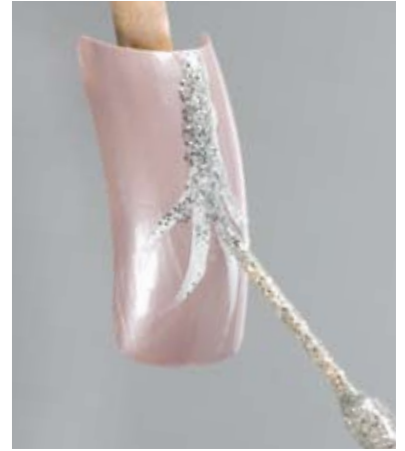

Art From the Heart Kit

1 Polish the nail with Front Row Diva from Color Club.

2 Starting at the top, paint sweeping lines down the nail with the White Striper Brush.

3 Add glitter to the design with the Silver Glitter Striper Brush.

4 Apply Art Club Top Coat over the entire nail.

5 While Top Coat is wet, position gems and pearls on the nail with tweezers and press lightly to secure. Apply another layer of Top Coat to seal them onto the nail.

OPI Products Axxium Soak Off Gels

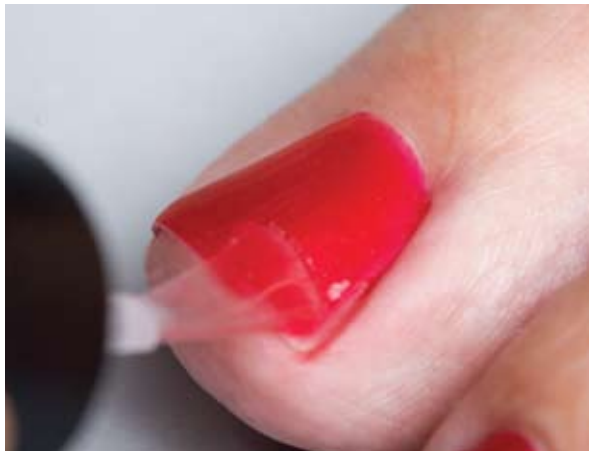

1 On prepped nails, apply two layers of Soak Off Gel Base and cure for one minute.

2 Apply a thin, even layer of Soak Off Gel Lacquer and cure for two minutes. Apply a second layer of Gel Lacquer. **Note:** After applying each Gel Lacquer layer, cap the free edges of the nails and brush down over them to remove any excess gel. Then remove any gel from the cuticles with a cuticle stick.

3 Cure the nails for two minutes.

4 Apply Soak Off Gel Sealer and cure for three minutes.

5 Admire your finished work! 🍷
