

# Fantastic Voyage

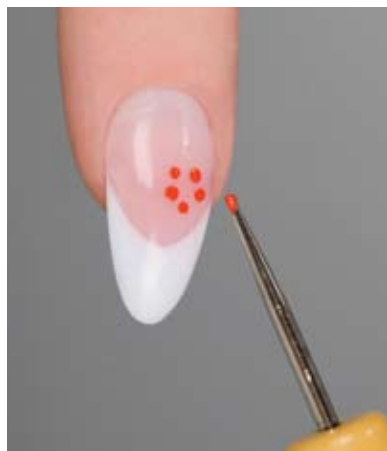

Set sail on an exotic voyage with Burmax FantaSea Nail Art Paint and Nail Art Glitter, and conclude your client's fantasy treatment with the Dream Gels Collection from ibd.

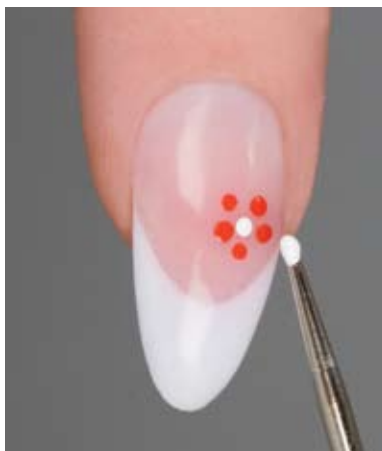

**B**urmax adds more colors to its FantaSea nail art line with new individual bottles of Nail Art Paint and Nail Art Glitter. Great for creating unique, vibrant and sparkling designs, the glitter and paints are available in a variety of exciting shades, including silver, magenta and neon pink. Try mixing the glitter with acrylics and gels to add zest to your usual designs! **For more information on Burmax, use FreeInfo #200, call 800.645.5118 or log on to [www.burmax.com](http://www.burmax.com).**

The perfect gel shade is no longer just a dream—it's time to wake up to the Dream Gels Collection from ibd! The six new metallic color gels include fiery red Charm, polished copper Escape, radiant rose gold Imagine and liquid silver Brilliant. The kit also comes with Intense Seal, Cleanser Plus, Bonder and nail wipes. So don't just dream—live your nail fantasy! **For more information on ibd, use FreeInfo #201, call 800.624.5776 or log on to [www.ibdbeauty.com](http://www.ibdbeauty.com).**

# Burmax FantaSea Nail Art

1 Using your dotting tool, paint five orange dots in a circle to make flower petals.

2 Paint one white dot in the center of the petals.

3 Using a striping brush, paint a green stem attached to the petals.

4 Using green glitter, paint grass at the base of the flower and extend it along the free edge.

5 Lock the design in place with top coat.

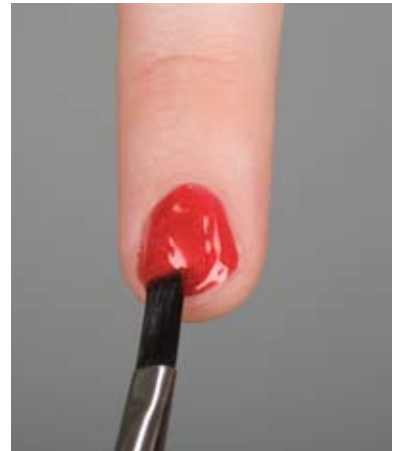

# ibd Dream Gels Collection

1 Wipe the nails with Cleanser Plus to prep.

2 Apply a layer of Bonder and cure.

3 Apply two layers of color gel and cure after each layer.

4 Apply Intense Seal top coat and cure.

5 Remove any residue or tacky layer. ↓
